

Help us raise \$5,000 to build a WELL in Honduras!!

*Well, Not JUST a Well...but a whole WATER STATION for a community:  
latrines, hand-washing stations, and sanitation training.*

As we work towards our goal, the "Paper for Water" Team will be installing beautiful origami butterflies in our school as a sign of the NEW LIFE that clean water brings, and that Jesus brings at Easter!

For every \$100 raised, a NEW butterfly will appear!

*"...the water I will give them will become in them a spring of water welling up to eternal life."*

*Jesus, John 4:14*

# Ways to Give

- In the Office
  - Sponsor a butterfly for your family, a teacher, grandparent, or child and the recipient may take it home after our Easter Service on April 18th.
  - Donate a butterfly in memory of a loved one.
  - Make checks out to “Paper for Water,” memo: Honduras Project. Forms for sponsoring and donating butterflies are available in the office.
- In the Wishing Well
  - Look for the wishing well by the school entrance – your child can bring change to school and make a special wish each time they donate!

## Ideas To Inspire and Teach Your Children at Home:

1. **Watch a Video** on YouTube by searching “Paper for Water.”
2. **Story-time!** Watch the link of Mrs. Manders reading “The Water Princess” on the HPPDS Facebook Page
3. **Make a simple “water journal.”** Have your child make a tally mark every time they turn on a faucet, flush a toilet, drink or use water in a day.
4. **Take the “water bucket” challenge.** The average American uses 40 2-gallon buckets full of water PER DAY! That’s 160 BIG buckets for an average family of four. Try cutting back by just one bucket/ person/ day. (Shorter showers, not-so-full baths, never let your faucets run, wash dishes with soapy water on one side, and rinse water in the other, conserve flushes, hand watering of plants and lawn, repurpose water to USE EVERY DROP).
5. **Say a little prayer** every time you use water.  
*“Thank you God for the precious gift of water. May everyone have enough.”*
